This right-to-run authorization is an agreement between Bentley Systems International Limited, if you are located outside of the geographic boundaries of the United States or Canada, or Bentley Systems, Incorporated if you are located within the geographic boundaries of the United States or Canada ("**Bentley**"), and you. Please read these terms. They apply to the software named above. The terms also apply to any Bentley updates, supplements, Internet-based services, and support services for this software, unless other terms accompany those items. If so, those terms apply.

BY USING THE SOFTWARE, YOU ACCEPT THESE TERMS. IF YOU DO NOT ACCEPT THEM, DO NOT USE THE SOFTWARE. IF YOU COMPLY WITH THESE TERMS, YOU HAVE THE RIGHTS BELOW.

1. RIGHT-TO-RUN. You may use the software if you and/or the program you are operating are identified and authorized by the owner of the data you wish to access, and such owner has been duly authorized by Bentley.

2. SCOPE. The right-to-run granted to you by this agreement only gives you some rights to use the software on a per use basis. Bentley reserves all other rights. You may use the software only as expressly permitted in this agreement. In doing so, you must comply with any technical limitations in the software that only allow you to use it in certain ways.

You may not:

- modify the software in any way;
- Reverse engineer, decompile or disassemble the software, except and only to the extent that applicable law expressly permits, despite this limitation;
- Rent, lease or lend the software;

3. SUPPORT SERVICES. Because this software is "as is," we may not provide support services for it.

4. DISCLAIMER OF WARRANTY. Bentley grants you the right to use the software "as-is." You bear the risk of using it. Bentley gives no express warranties, guarantees or conditions. You may have additional consumer rights or statutory guarantees under your local laws which this agreement cannot change. 5. LIMITATION ON AND EXCLUSION OF REMEDIES AND DAMAGES. You can recover from Bentley and its suppliers only direct damages up to U.S. \$5.00. You cannot recover any other damages, including consequential, lost profits, special, indirect or incidental damages. This limitation applies to anything related to the software, services, content (including code) on third party Internet sites, or third-party programs; and claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law. It also applies even if Bentley knew or should have known about the possibility of the damages. The above limitation or exclusion may not apply to you because your country may not allow the exclusion or limitation of incidental, consequential or other damages.

6. EXPORT RESTRICTIONS. The software is subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the software. These laws include restrictions on destinations, end users and end use.

If you are located within the geographic boundaries of the United States or Canada, this agreement will be governed by and construed in accordance with the substantive laws in force in the Commonwealth of Pennsylvania, and the state courts located in Chester County, Pennsylvania and the federal courts located in Philadelphia, Pennsylvania shall have exclusive jurisdiction over all disputes relating to this agreement.

8. LEGAL EFFECT. This agreement, and the terms for supplements, updates, Internet-based services and support services that you use, are the entire agreement for the software and support services. You may have other rights under the laws of your country. This agreement does not change your rights under the laws of your country if the laws of your country do not permit it to do so.
